MATCHPRECISION ; LOW RECOIL ; MAXIMAL EXPANSION

BORE CLEANER & CONDITIONER
MC 7 BORE CLEANER AND CONDITIONER

MC-7 Bore Cleaner and Conditioner is the only one-step concentrated solvent needed for maintaining, cleaning and conditioning handguns, rifles, and shotguns.

Removes all types of dirt:

Powder, Lead, Carbon, Copper, Plastic gun fouling, Corrosive ammunition residue, Black powder, Plastic sabot ammunition residue, Pyrodex.

Advantages:

- Safe, quick and easy to use.
- Lubricates the barrel for better impact right from the first shot.
- Prevents build-up of barrel fouling.
- Non-abrasive, harmless to barrel surface.
- Maintains the firing accuracy of new firearms.
- Restores shooting accuracy of older firearms.
- Prolongs barrel life.

MADE IN THE USA

REF.	VOL.
MC704	118ml

BORE CLEANER & CONDITIONER
MC-7 EXTRA STRENGTH BORE CLEANER

MC-7 Extra Strength Bore Cleaner 12 oz Aerosol est une version aérosol pratique de notre meilleur vendeur, MC-7 !

MC7XT has been formulated with an enhanced combination of cleaners to work faster than the original version of MC-7 and it's ammonia free!

Advantages :

- 12 oz aerosol can
- Quickly removes copper, lead, carbon and powder fouling
- Cleans bores, receiver and trigger groups
- Nonabrasive
- Ammonia Free
- Safe, quick and easy
- Non-abrasive – harmless to the bore surface
- Removes all types of fouling.

BORE CLEANER & CONDITIONER
FOAMING BORE CLEANER

Expanding foam easily cleans the bore and ensures a complete clean.

Simply spray in the breech to fill the bore and wait for foam to work.

Advantages :

Let expanding foam and time do the hard work in cleaning your firearm. Foaming Bore Cleaner easily cleans your bore. Simply spray in the breech end and the foam will expand to fill the bore and ensure complete product coverage. Let sit until foam breaks down and then remove using your cleaning kit of choice.

Utilisations recommandées :

Make sure firearm is unloaded
 Place in gun vice or lay on horizontal surface with breech slightly higher than muzzle

*Note: as foam starts to work, this will reduce chance of fouling seeping into action
 Spray Foaming Bore Cleaner in breech end until bore is full
 Let sit until foam breaks down
 Remove and clean using your cleaning kit of choice
 Be sure to follow up with a lubricant and protectant

SPECIALIZED CLEANER
LEAD REMOVER

Shooter's Choice Lead Remover quickly removes fouling from guns without the need for harsh abrasives.

Advantages :

- Easy to use
- Quickly removes lead fouling from all handguns, rifles and shotguns
- Restores accuracy

Recommended uses :

- Firearms
- Compound bows
- Automobiles
- Sports equipment
- Fishing tackle
- Industrial products
- Home care
- Nautical equipment
- Stores

MADE IN THE USA

LRS04	118ml

SPECIALIZED CLEANER
MAXIMUM STRENGTH COPPER REMOVER

Shooter's Choice Copper Remover (8oz plastic bottle) is a special extra strength formula for tough pistol and rifle cleaning jobs. Our Copper Remover quickly removes copper or gilded metal fouling from all rifle and pistol bores.

Effective for
 Completely removing copper and copper by-product deposits from firearms.

Advantages :
 Completely removes copper or gilded matter and metal fouling in the barrel left behind by ammunition.
 Increases accuracy.
 Faster action
 Better quality than other products
 Restores accuracy to damaged or old firearms.
 Easy to use

BORE CLEANER & CONDITIONER
SHOTGUN AND CHOKE TUBE CLEANER

Shotgun and Choke Tube Cleaner is designed specially to remove fouling from barrels, choke tubes, and ports. It easily cleans receiver and trigger assemblies. Shooter's Choice Shotgun and Choke Tube Cleaner quickly melts plastic wad fouling!

Advantages :
 12.5 ounce aerosol can

Quickly removes plastic wad, lead and powder fouling from barrels, choke tubes and ports

Removes carbon and powder from gas operating mechanism

Cleans receiver and trigger groups

MADE IN THE USA

REF.	VOL.
SG012	354g

GUN ACTION CLEANER
QUICK SCRUB III

Shooter's Choice Quick Scrub III removes fouling for trouble-free actions and precision trigger pulls, without disassembling the firearm. Recommended for all conventional firearms and Black powder firearms.

Advantages :
 Removes residue from firearm actions, trigger group without the disassembly of firearm.

Dissolves residues and powder buildup from firearms.

Actions run smooth even in cold weather.

15 oz aerosol can

LUBRICANT

SYNTHETIC ALL WEATHER HIGH TECH GREASE

has been specially formulated through the latest high technology. It is the ultimate synthetic grease, chemically engineered to specifically meet the most demanding need for lubrication and protection for all firearms, fishing tackle, boats, bikes, autos and tools. It will out-perform all other firearm greases. It is non-alkali, harmless to plastics and rubber.

- Advantages :
- 10cc Plastic Syringe
 - Pin-point Accuracy for applying in small areas
 - All-weather lubrication that clings to metal
 - Works at extreme cold and hot temperatures
 - Won't fly off fully automatic weapons
 - Works on All firearms
 - Great for nickel, stainless and chrome
 - Odorless for stealth-conscious hunters

GUIDE UNIVERSEL
UNIVERSAL BORE GUIDE

The Universal Bore Guide offers an easier and safer clean by aiding in the alignment of your cleaning rod with the barrel of your firearm. Proper rod alignment prevents bowing and bending which can damage the bore. The built-in solvent port reduces the chance of spilling and wasting solvent, which could ruin the finish of your firearm. The Shooter's Choice Universal Bore Guide also includes a collar designed for MSR/AR style rifles, which creates a tighter fit and additional support of the upper receiver while cleaning your rifle. Fits most centerfire and bolt-action rifles.

Details:

- Protects chamber and bore from damage
- Aligns rod with barrel for faster cleaning
- Reduces solvent leakage into action
- Fits most bolt-action and MSR/AR style rifles
- Solvent port protects firearm finish from chemicals
- Thumbscrew collar lock for securing bolt into position

GUN REFINISHING

GUN BLACK KIT

Looking to touch up an old gun or give it new life with a complete re-blackening? The Gun Black kit by Shooter's Choice is a cold black two part process that bonds to and colors the metal. It includes everything you need – including applicators – to get your gun black job done. Includes enough chemicals for up to 3 complete re-blackenings or dozens of touch ups. Like factory black, it produces a beautiful, durable finish. This easy to apply product includes Gun Black (2 oz.), Gun Cleaner Gel (1 oz.), Curing Agent (0.5 oz.), Lubricant (0.5 oz.) plus applicators, microfiber cloth, steel wool and scour pads. Be sure to follow comprehensive instructions to achieve desired results. **DO NOT USE** acetone, solvents, cleaners, degreasers, rust removers or any chemicals other than Shooter's Choice Gun Cleaner Gel to prepare the metal prior to refinishing. These products can leave residues in the pores of the metal and interfere with the bonding process of Shooter's Choice Gun Black.

Product Details:

- Cold black two part process bonds to and colors the metal
- Great for touch-ups or complete re-blackening
- Up to 3 complete re-blackening projects or dozens of touch-ups.
- Like factory black and produces a beautiful, durable finish
- Easy to apply
- Everything you need including applicators, steel wool, scour pads and microfiber cloth

KIT GRAISSE LUBRIFIANT
MC-10 GREASE & LUBRICANT

MC-10 High Performance Grease + Lubricant:

As a unique mix of aerospace-industry lubricants that was formulated specifically for firearms, MC-10 delivers unrelenting protection from -65 all the way up to 650 degrees. It doesn't look or feel like other formulas—and it doesn't break down like other formulas when things get heated. When the mission is critical, MC-10 delivers without compromise.

This combo package includes a 1 fl. oz. spray bottle of MC-10 high performance synthetic lubricant as well as a MC-10 high performance synthetic grease contained in a 3mL precision applicator pen brush. These formulas deliver the ultimate in friction protection and won't freeze, burn or carbonize – even in extreme temperatures. The grease pen delivers ultimate control to apply in precise areas such as the actions, triggers & slides.

FEATURES

MC-10 delivers extreme protection from -65 to 650 degrees

Will not freeze, burn or carbonize

Safe for all surfaces, including metals, plastics, rubbers and woods

Treated molecules hold to metal, unlike other lubricants

Odor-free, for worry-free indoor application souci.

HOW TO USE MC-10 LUBRICANT

- 1- Make sure your gun is unloaded.
- 2- Remove all oils and solvents with a firearm cleaner, like Shooter's Choice Quick Scrub.
- 3- Spray the MC-10 Lubricant onto the inner workings of your firearm to leave a thin layer.
- 4- Work your firearm to help the lubricant penetrate hard-to-reach places. (You might feel some friction the first few times you shoot, as MC-10 will push debris from deep within your gun's metal.)
- 5- When needed, use solvent to remove built-up carbon, fouling and debris.
- 6- Reapply MC-10 Lubricant.

HOW TO USE MC-10 FULL AUTO GREASE APPLICATOR BRUSH

- 1- Click the yellow precision push button to control grease amount.
- 2- Apply to high friction areas, such as actions, triggers and slides for the ultimate protection.
